

FALMOUTH COMMODORES NAME RECIPIENTS OF THE GEORGE CREIGHTON SCHOLARSHIP

Falmouth, MA, June 27, 2023 – The Falmouth Commodores are pleased to announce this year’s recipients of the George Creighton Scholarship. The George Creighton Scholarship is awarded every year to four high school seniors who reside in Falmouth or Mashpee and exemplify the virtues of hard work, dedication, and service that are valued by the Commodores.

The 2023 recipients are Evan Bostwick (Upper Cape Tech), Cullen Dunn (Mashpee High), Maci Griesbauer (Falmouth High), and Andrew Lang (Falmouth High). These individuals all have history with the Commodores. Bostwick attended games and clinics as a child; Griesbauer and Lang’s families have hosted players for years; and Dunn previously worked as an intern to the president of the Cape League and is currently serving as an intern to the Commodores’ general manager.

Each of the individuals are enrolled to attend college this fall. Bostwick is set to attend Stonehill College, where he will major in health science; Griesbauer is heading to the University of Rhode Island, where she will major in textiles, fashion merchandising and design, and minor in business. Dunn will be studying finance at Merrimack College. Lang will be studying finance at UMass Amherst.

Dunn is also a recipient of the Chuck Sturtevant Outstanding Service Award, which is named in honor of former Falmouth and Cape League President Chuck Sturtevant. He receives this award in recognition of his exceptional commitment to both the Commodores and the Cape League.

The recipients were recognized on June 20th before the Commodores home game against the Orleans Firebirds. They each threw out the ceremonial first pitch and yelled “play ball”.
