A Premier Cape Cod Baseball League
Team

Falmouth Commodores Internships

BROADCASTING AND MEDIA TEAM

The Falmouth Commodores is one of ten teams that comprise the Cape Cod Baseball League, the preeminent summer collegiate baseball league in the United States. Scouts from all major league teams attend games and many players are ultimately drafted to play in the MLB.

In 2021, the Commodores expanded its capacities, primarily in video production, and expanded further in 2022 (5 camera system with underground cables to camera wells, and Blackmagic Design ATEM Pro 4K Live Production Switcher). To take our productions to the next level and continue to be known as the premier CCBL media outlet, we are looking for the most highly-motivated, team-oriented summer interns to fill our vacancies. If you are attracted to the broadcasting and media arts, and who thrives in an environment where collaboration, creativity, and teamwork are strongly encouraged, this may be the opportunity you are looking for.

All intern positions are non-paying, and prospective interns must arrange for their own housing and transportation while on Cape Cod. The Commodores staff will assist where possible in helping interns find affordable lodging and part-time employment.

Individuals should have a proven interest in photography and baseball, and a well-rounded understanding of the game of baseball is required. Preference will be given to college students who have photography and media-related majors and have been actively involved in photography and media and sports programs. Strong interpersonal and communication skills are preferred. ***Submission of a letter expressing your specific interest and expectations from your internship, your resume, and published sports photography samples are required and will be reviewed during the selection process.***
